STATE STREET IN SAN BERNARDINO WILL CLOSE FOR STORM DRAIN WORK THROUGH THE END OF APRIL

State Route 210 construction will require a full closure of State Street between Highland Avenue and Adams Street in San Bernardino. Crews will be installing storm drain facilities through the end of April. Prior to the closure, State Street south of Highland will reopen to motorists.

Motorists may use Macy Street as an alternate route. Pedestrian access will be maintained on State throughout the construction. However, pedestrian access may alternate from one side of the street to the other. Please see the detour map below.

For more project information, call the Route 210 toll-free helpline at 1-866-HELP-210 or visit the SANBAG website at www.sanbag.ca.gov. SANBAG and Caltrans appreciate your patience during construction of this new freeway. Please allow extra time when traveling through the construction area and follow all signs and detour routes.

Remember, Safety: It's no accident!
